Policy

- 1. For our athletes
- 2. For the parents/guardians of our athletes

1. For our Athletes

1.1. On the field:

1.1.1. **Ready for the Practice:**

- 1.1.1.1. **Athletes are expected to arrive 15 minutes prior to training in proper designated uniform attire. Players showing up without the SC Dava uniform, won't be allowed to practice with the team;** or as a last solution they can purchase a new set of uniform (if available) at the practice location, and continue with the training after this issue have been resolved.
- 1.1.1.2. Athletes should be responsible in practicing proper nutritional methods in respect to the player's situation prior to games, trainings, and events. Examples of such include having a big meal at least two hours prior to trainings and games. Individual players may require different methods and should consult a doctor before decisions are made.
- 1.1.1.3. Athletes need to use the bathroom as necessary before the practice starts.
- 1.1.1.4. Athletes have to accept the responsibility of bringing additional equipment necessary for practice (Soccer: **cleats, shinguards**, water. Track & Field: **spikes shoes** & water). **Players showing up without proper equipment won't be allowed to practice with the team.**
- 1.1.2. **Ready for the Game:**
 - 1.1.2.1. Players are expected to concentrate on playing soccer, having fun, always putting forth their best effort, and playing by the rules at all times.
 - 1.1.2.2. Players have to be at the game location, in proper designated SC Dava game uniform, ready to start the warm-up 35 minutes before the scheduled starting time of the game. Players showing up in other than SC Dava's game uniform will be denied to participate on the game.

1.1.2.4. Players have to accept the responsibility of bringing any additional equipment necessary for the game (cleats, shin guards, water, meals for multiple day tournaments).

1.1.3. **Playing time:**

1.1.3.1. **Failure to be on time for the pregame meeting/warm-up or allocated start time will not start the game.**

1.1.3.2. **Failure to be on time for the start of the game will result with no participation on the game. Exceptions may apply for 1.1.3.2.**

1.1.3.3. Games are a privilege and players must earn playing time by commitment, effort, and hardwork in trainings. Commitment is important to teach to children and we expect the parents to be involved in maintaining this character trait.

1.1.3.4. Games allow players to express themselves and give their best effort. We support our players and encourage them to express themselves through sport mixed in with instructional guidelines from the coach. Players will not be substituted from the game for making mistakes. However, at some games of competitive nature coach might substitute based on the desired result.

1.2. Off the field:

1.2.1. **Education.** Numerous researches have shown that competitive soccer players/athletes have better academic performance on average, compared to non-competitive students. *"The elite youth soccer players are more often enrolled in the pre-university academic system, which means that they are high academic achievers, compared with the typical student. The elite players also report an increased use of self-regulatory skills, in particular self-monitoring, evaluation, reflection, and effort."* (1) In Soccer Club Dava we think that academic education and physical education go hand in hand. We highlight the importance of cognitive skills, we adhere to continuous learning, independent thinking, the scientific approach of sport performance, and ornate communication.

1.2.2. **Diet.** Soccer Club Dava places great emphasis on the diet and nutrition of our athletes. To support the health benefits of physical activity, and to maximize the performance of our athletes, we are continuously educating our youth about the importance of nutrition for the human body.

1.2.2.1. **We apply our NO CANDY POLICY in Soccer Club Dava. It means that at our team and club activities we do not allow players to have or consume sweets with them at any time. It means no ice cream, no cupcakes, candies and sugary soda.**

1.2.3. **Electronics.**

parents/guardians to club events, they will be allowed to use their phones to contact their loved ones in a certain part of every day (e.g. 7pm-8pm).

1.2.4. Exercising outside of Club practices. Every extra step you take is getting you closer to your ultimate goal. “More than a practice, it’s a LIFESTYLE!” Striving for your best in any facet of life is a key fundamental of our Club. This entails but not limited to; proper nutrition, positive thinking, time management, hard work, goal setting, and everything possible in order to maximize your performance. Soccer Club Dava will guide you and support you in any way possible to unfold your potential and reach your goals. Please review Soccer Club Dava Supplemental training on the [website. 2. For the Parents/Guardians of our Athletes

2.1. Soccer Club Dava cannot be a club without the involvement of parents/guardians. We need you to be as motivated and committed to the development of the most important aspect of this program, the players. Your support is essential to the athlete and team’s development on and off the field. Therefore, it is your responsibility to ensure the athlete's attendance to training, games, and other club activities. On our end, we will always do our best to present all schedules in a timely fashion in order to allow you to prepare accordingly. With that said, we expect timely communication on your end as well, in respect to schedule conflicts, participation, and transportation.

2.2. To avoid conflict of interest Soccer Club Dava coaches must not accept gifts, cash or favors from individual parents/players. According to **SC Dava Coaching Policy** coaches can only be gifted by team only. When a parent offers money, gift or favor to the coach, the coach must report it to the Director of Coaching. There are only two exceptions when an individual parent/player can give a present to the coach: 1. When the player leaves the club and the parent/player wants to express their gratitude to the coach. 2. Players’ self-made artistic work and or letters are very welcomed.

SC Dava players can be coached by SC Dava coaches strictly through SC Dava. Any form of coach-parent cash exchange is prohibited.

2.3. As we know, respect is a primordial part of our mission, we ask you to respect the decisions of each team coach, and discourage negative comments towards our athletes and coaching staff. We ask that you respect the coaching staff, players, opponents, and referees to maintain our gold standard of conduct. It is the coach's responsibility and duty to decide how to approach their team's goals, strengths, and weaknesses. Our coaches have priorities and goals that may encompass long-term results; therefore, please be aware that you will not always agree or understand the coaches decisions. Playing time is not an appropriate topic to discuss with coaches. Meetings with parents shall not occur 24 hours before or after trainings and games. If there is an issue please resolve this with the coach first. Once the issue has been discussed with the coach and remains unresolved, at this time we encourage you to bring it up to the Director of Coaching.

- 2.4. We kindly ask you to forbear at all times criticizing our athletes and bringing down their focus and performance. Our athletes are aware of their mistakes and part of our philosophy is to learn from them as a team and individually. Our coaches are educated and are responsible of teaching the athlete how to recover from these mistakes and how to outstrip each situation. Furthermore, Soccer Club Dava athletes are being trained in how to overcome situations such as dirty play, poor refereeing, weather, etc. We expect our parents, as well as our coaches to have the same mindset when it comes to situations that are out of our control.
- 2.5. Moreover, we expect you to attend to our parents meetings (quarterly). These meetings are fundamental for our communication as a club since we want to ensure that parents understand our goals, current development, disputes, objectives, and expectations. On the other hand, we also want to hear your feedback, preoccupations, opinion, and suggestions. At each parent's meeting the coaches will share and give feedback on how the team and each individual of the club is performing. Coaches will also dwell more regarding future trainings, goals and what is needed on your end.
- 2.6. Soccer Club Dava listens to every suggestion and comment with great respect and disposition. We are aware that once you join our program you are investing and making some sacrifices in order to be part of our club. Notwithstanding, we would like to remind you that the final decisions regarding what is best for the team interests relies on the Coaches, Directors, and Club Manager. Also, please be advised that once your kid(s) enrolls our program he/she is not only part of a team, but of a club; therefore, some decisions are going to be taken as a club. Every member and its parent(s) has to be committed to the club's mission, motto, and goals and we kindly ask you to contribute to the success and implementation of it. Parents that fail to comply the club's conditions can be suspended or expelled from our practices and/or club.
- 2.7. Lastly, due to expenses towards registrations, league/tournament registrations, equipment, schedules, staff, field rental and more. We have a NO REFUND POLICY.
